

33. THREE ANGELS' MESSAGES

1. REVELATION 14:6

God has a special invitation for all those living at the end of time. This message is to go to all the world and is to be proclaimed by God's faithful people

2. REVELATION 14:7

The first angel's message calls people to worship God as Creator and prepare their lives for the judgement which has now become a present reality. True worship for God as the Creator includes honoring His seventh-day Sabbath

3. REVELATION 14:8

The second message warns humanity that false systems of worship are completely fallen and beyond restoration. While in times past there was some hope that apostate churches might repent and be reformed, now it is too late.

4. **REVELATION 14:9-11**

The third message warns us not to receive the mark of the beast: in other words worship based on human ideas - those who receive the mark of the beast will forfeit eternal life

5. **REVELATION 14:12**

Those who accept this final invitation to follow God are those who keep all of His commandments and put their faith in Jesus

6. **REVELATION 18:1-4**

The three messages are summarized with an urgent appeal to come out of Babylon: to leave false worship based on human tradition and follow God based on His Word
